

CYBER CRIME COMPLAINT (FIR)

CyberDesk — AI-Powered Incident Reporting Platform

Report ID: #19

Incident Type: financial_fraud

Date Filed: May 13th, 2026 8:30 AM

To,
The Officer-in-Charge,
Cyber Crime Police Station.

Subject: Complaint regarding Financial Fraud through Fake Bank Phone Call.

I, Ramesh, wish to report a fraudulent incident involving unauthorized withdrawal of money from my bank account by an unknown person posing as a bank representative.

1. Incident Details:

- Date & Time: Yesterday morning around 9:00–10:00 AM (exact date not recalled; information not available at the time of reporting).
- Mode of Communication: Phone call (voice call).
- Suspect Details: Unknown male caller claiming to be from my bank. He stated that my ATM card would be blocked due to non-updation of KYC. The mobile number used by the caller is not mentioned here as I do not have it readily available at the time of reporting.

2. Chronological Description of the Incident:

I am a resident of Vijayawada and I use my bank account to receive my pension. Yesterday morning, at approximately 9:00–10:00 AM, I received a phone call from an unknown person who claimed that he was calling from my bank. He informed me that my ATM card would be blocked because my KYC was not updated. I became worried since my pension is credited to this account.

~~The caller told me that I did not need to visit the bank and that he would help me~~

After a few minutes, I started receiving SMS alerts from my bank indicating that multiple transactions were being carried out from my account. The messages showed that an amount of Rs. 10,000, then Rs. 15,000, and then Rs. 20,000 had been debited from my account, totaling Rs. 45,000. Realizing that something was wrong, I immediately tried to call back on the same number, but the phone was switched off.
